Phone No.: 571-272-3793

For: Scramble Methods and Apparatus for Packetized Digital Video Signal in Conditional Access System

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowability mailed on 06/12/2009 contains an Examiner's Statement of Reasons for Allowance.

The Statement appears to refer to the subject matter of independent claims 23, 37, 38, and 49 and contains language that attempts to characterize the claimed subject matter. The Applicant submits, however, that the language in the Statement does not accurately characterize any of the claims. In particular, the Statement appears to cite only a portion of the claim language from independent claims 23 and 38. The Applicant submits that each of these independent claims recites additional language. In addition, while referring to independent claims 37 and 49, the Statement does not cite the actual language from these claims. To that extent, the Applicant objects to the Statement.

In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicant rejects any narrowing or limitations that might possibly result from such differences.

For each of these reasons individually and for all these reasons collectively, the Applicant objects to the Statement.

Respectfully submitted,

Date: 08/13/2009
